

## BC Coastal Soccer League

### Game Day Rosters and Match Reporting

#### Clubs using Stack Sports Connect

Team Managers and Coaches can access Roster and Match Reports directly from their schedule page in “Team Connect”, online or on native iPhone/Android application.

#### All Clubs

#### By Club Administrator

After logging in, proceed to a team and find games at the bottom of the team page. Refer to league rules for restrictions on how many days in advance a game day roster may be printed. A scorecard link will appear after the game.

## By Coach and/or Team Manager

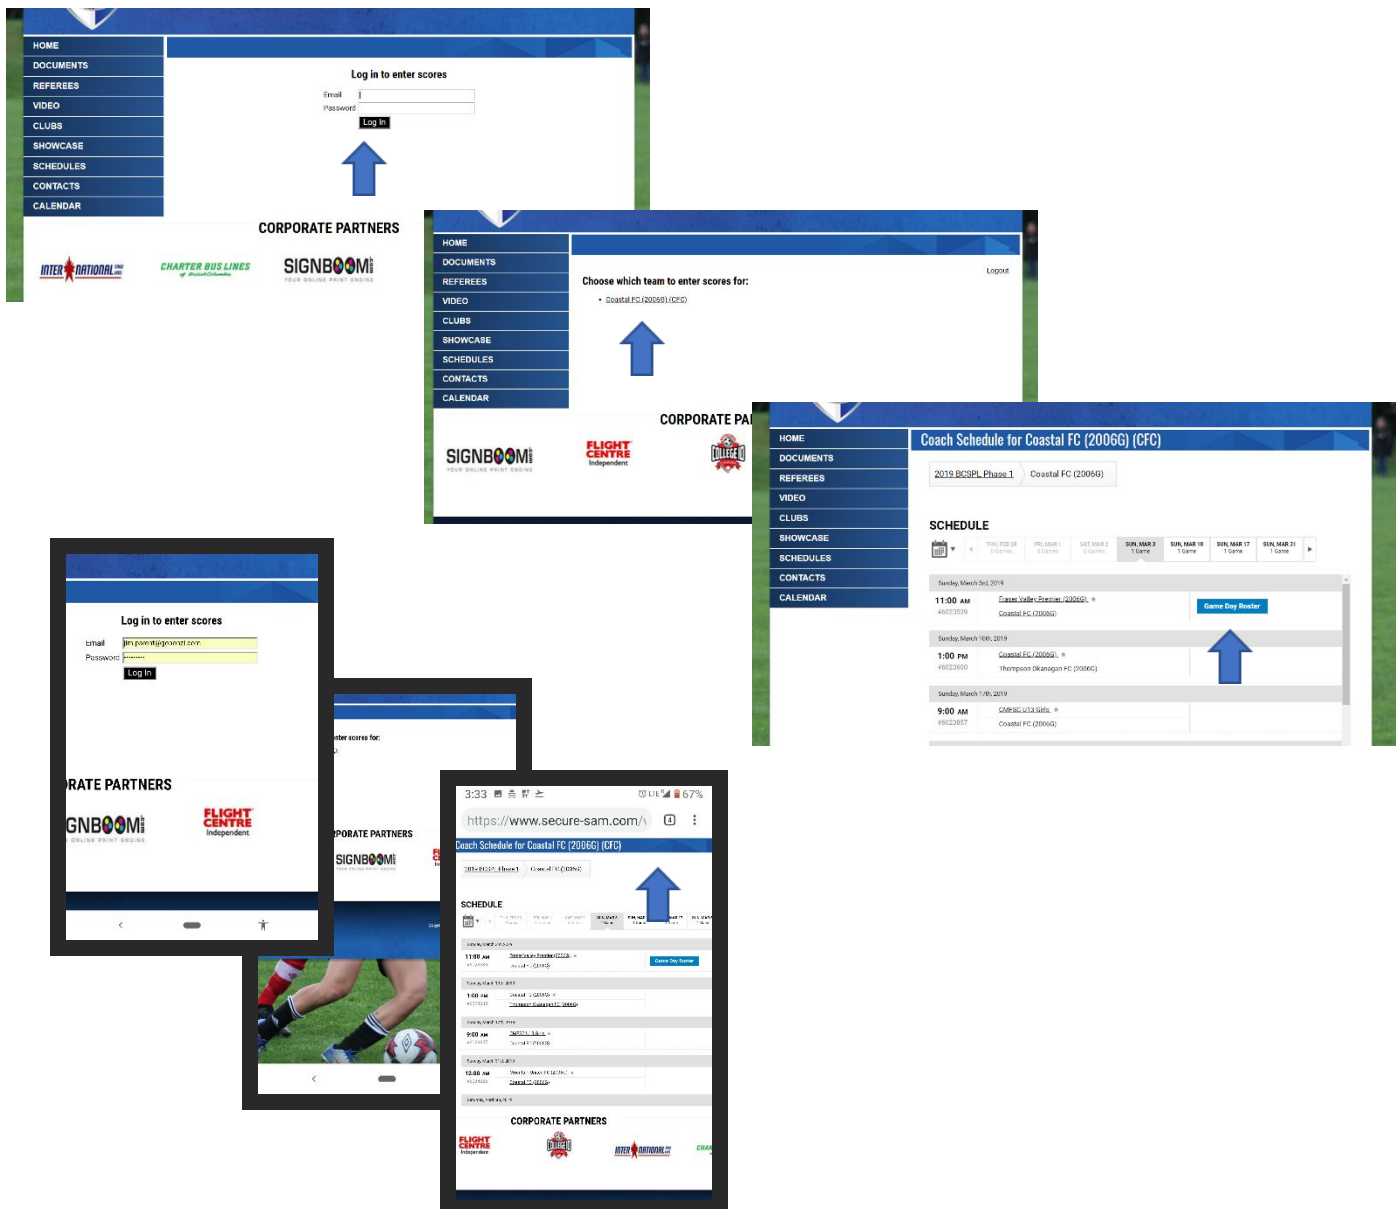

A special login in from BCCSL is available for any Coach or Team Manager to access their Game Day Roster and/or enter their Match Report. The pin for BCCSL is 990323.

Game Day Roster will be available to print 3 days before the game and Scorecard button will appear after the game.

Go to: (on your desktop, laptop or browser on your phone)

<https://www.secure-sam.com/www.bccoastalsoccerleague.ca/sam/standings/ss/login.php>

Coach or Manager will use their email and pin 990323 – they will view all teams on which they are rostered.

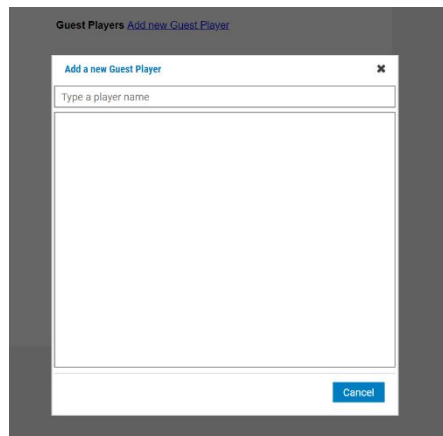

## Options for adding Guest/Game Day Players

### From your own Club

Search and add players to the roster.

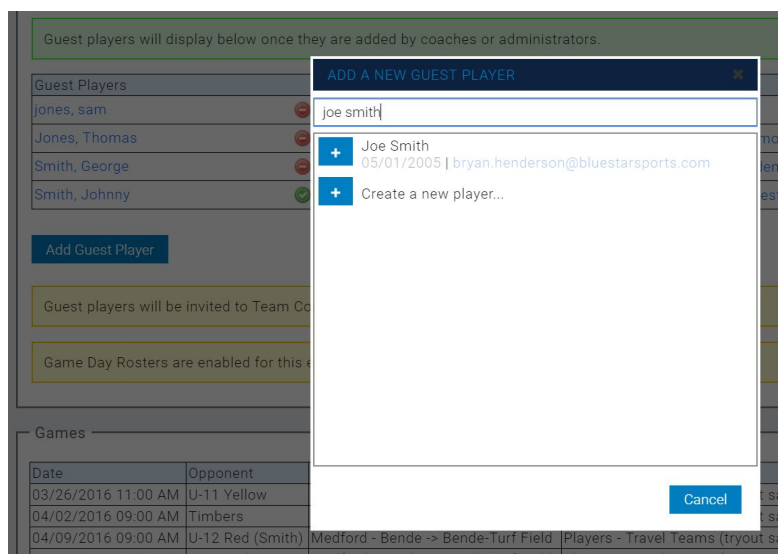

### By a Coach or Team Manager

From the “Team Connect” edit roster or “Score entry” login edit roster – click “Add Guest Player” to search and add to roster for the season. Then selected by Coach or Team Manager when available to play.

### By a Club Administrator

From the team page – click “Add Guest Player” to search and add to roster for the season. Then selected by Coach or Team Manager when available to play.

## Loaned Players (from another Club)

### By a Coach or Team Manager

Using “Write-in” fields – good for last minute additions.
