Part 1 – Overview and Purpose

The BC Coastal Soccer League (BCCSL) is governed by a board comprised of the Youth District Soccer Association Chairs that have clubs and teams that participate. The League provides, facilitates and supports playing environments for males and females in the Under 11 and 12 divisions 1-2, and Under 13 to Under 18 age categories, consisting of Metro to division 3. The League works closely with BC Soccer and the BCSPL to help develop the game and actively promote players while ensuring the ongoing integrity of each level of play.

The league is a BC Soccer sanctioned league operating under and in compliance with the bylaws, rules/regulations and policies of BC Soccer.

The overriding goal of our league is to provide divisions for teams to be competitive at the appropriate caliber. We believe this will provide the best playing experience for all players.

Clubs are strongly encouraged to invest time and effort into selecting the correct divisions for their teams.

The league strongly suggests that districts and clubs provide referee development programs in accordance with BC Soccer.

One of the most noticeable and important implementations to BCCSL play is the new Fluid Roster Process (“FRP”) that the BCCSL will be implementing for the 2018-19 season. The BCCSL believes a policy that facilitates player movement between teams at the same club helps teams avoid forfeits or playing games undermanned while helping players who narrowly missed being selected for a higher level stay within touching distance of that level by easily allowing them to be able to be called up to play at that level.

To that end, the FRP policy for what was previously called Intra-Club Permits or Playing Up Policy will be changed to the BCCSL Fluid Roster Policy (FRP).

The FRP policy is intended to facilitate games being played rather than forfeited or played with undermanned teams as well as to act as a development tool for clubs. Instances of abuse will be dealt with by BCCSL and may result in teams or clubs losing all FRP privileges for a specified period of time.

The rules outlined in this document pertain to all divisions other than what is called out.

Part 2 – League Administration and Operation

1. Player Registration

- a) Only players who are properly registered with BC Soccer or its designate can participate in the League.
- b) Each District must provide all registered players and team officials with photo ID cards in accordance with BC Soccer rules no later than September 1 for Metro and October 1 for all other divisions. ID card requirements for BCCSL are as follows:
 - i. The following individuals shall be issued with a photo (taken within 24 months) identification card once they have been registered with BC Soccer's Registrar or designate:
 - All youth players in the U11 to U18 age categories
 - All youth team officials from U11 and above
 - ii. The photo identification card shall include the player's or team official's: Surname, Given Name(s), Club Name, Team Name, Birthdate, Player ID#, level of play and the year in which the playing season ends.
- c) The ID cards must be presented for each league game throughout the remainder of the playing season.
 - i. Teams who fail to produce ID cards for their team or individual players may be subject to a forfeit of the game and/or a league fine (as per Fine Schedule, section 18). Referees will still allow the game to go ahead, but any protest will be entertained and may be upheld by the league due to lack of ID cards of an opponent. Discipline issued to players will still be applied as usual, and the club that didn't provide ID cards may be required to provide proof of ID cards after the fact as part of the protest.

2. Risk Management

YOUTH

- a) All BC Soccer directors, volunteers, employees of BC Soccer or an affiliated BC Soccer organization aged 19 years and older participating on a regular basis in any element of youth soccer, adaptive soccer, or who will be with a vulnerable person must have a valid Criminal Record Check and Vulnerable Sector Check on file.
- b) Occasional Volunteers are not required to complete a Criminal Record Check/Vulnerable Sector Check so long as they do not have unsupervised access to a youth or otherwise vulnerable person. An adult who has completed a valid CRC/VSC must be present.

REFEREES

All referees aged 19 years and older must have a valid Criminal Record Check and Vulnerable Sector Check on file with BC Soccer.

The BC Soccer Criminal Record policy can be found [here](#)

3. Team Affiliation

- a) All male and female teams (U13 through U18, all levels and U11/U12 at division 1 and 2 only) must be affiliated through the League's Member Districts and only Districts may forward teams to the League.
- b) Clubs that repeatedly put teams at divisions that cause them to be re-tiered may face league sanctions.
- c) The League will determine the number of divisions, so they are appropriately competitive.
- d) Only properly affiliated youth teams are entitled full participation in the League.
- e) Teams do not have any grandfathered right to Metro
- f) Districts must work with other Districts to ensure all players can have the opportunity to participate at the level suitable to their ability and needs within the parameters of BC Soccer's Bylaws and Rules and Policies.
- g) Each District will pay the appropriate league entry fee (as determined by the BC Coastal Soccer League Board) upon acceptance for each team by September 1st of each year.

3.1 Divisions

The League will consist of Metro to Division 3 for U13 to U18 and U11/U12 at division 1 and 2.

3.2 Metro

- a) Districts will be allotted teams at U13, based on the number of eligible and registered male and female players within the District. At older age groups, teams will be reviewed on an annual basis based on past years results.
- b) Districts will follow the guidelines set by BC Soccer for the Metro program.
- c) There is no pre-set minimum or maximum allotment nor is there specific entitlement of an allotment year over year.
- d) Member Districts enter teams in the Metro division according to their allotment as determined annually by the league.
- e) The allotment for the coming season for each District will be announced by the end of May in the preceding season.
- f) The League Operational Committee may adjust allotments to one or more districts from time to time based on the size of the qualified player pool in that District. The allotment must be provided to the District by the League Operational Committee in writing.
- g) The League takes a player centric approach to team affiliation and may require documentation from the District to support the suitability for affiliation of any given team.
- h) The recommended maximum league size is 16 teams; this number may be adjusted based on the technical assessment of strength of the total player pool and each individual District.
 - i. The League will work actively with the Districts to determine the optimum division size and the competitive structure depending on available qualified player pool and number of participating districts.
 - ii. The League may remove a team mid-season at its discretion based on non-compliance with regulations.
 - iii. Prior to removing a team, the League will provide the District member an opportunity to address or remedy the situation within two weeks of notification.
 - iv. The League and the District member may seek impartial third-party assessment in determining the suitability for affiliation of a team or appeal to BC Soccer.

- i) At the U13 entry year, there is leeway on the number of teams affiliated given that the graduating U12 players are coming into a new playing format and it is difficult to assess how players will do or which player will want to remain in the Metro Program. Within reason, the League will not deny entry to any U13 team forwarded by a District for affiliation within its allotment. Noting that the recommended maximum league size is 16 teams.
- j) Entry into Metro does not imply any special procedures for teams regarding the Provincial Cup or other BC Soccer matters except where these are so stipulated herein. The Coastal Cup Committee may use the Metro standings to seed the top three (3) or four (4) teams into the Coastal Cup play.

3.3 U11/U12

- a) U11/U12 will follow the small sided rules as outlined by BC Soccer.
- b) Scores will be recorded for tiering purposes only. Scores and standings will not be made public.

 - iii. July 21 for Division 3
- c) The Scheduling sub-committee, in consultation with member districts and their clubs, will have the latitude to move teams into the appropriate division based on results and an understanding of a team's competitiveness after 6 weeks of play. This is the only re-tiering break, and the league strives to ensure teams are appropriately placed taking into account the development needs of players and teams.
- d) Schedules will be re-issued as a result of any re-tiering and league standings will be reset.

- k) If players, team officials, or spectators cause a game to be abandoned, the League will investigate, and has the right to declare a winner. Points will be awarded as a forfeiture to the faultless team as a 1-0 win, regardless of the score at the time of the abandonment. - d) A protest will only be considered on the grounds of:
 - i. Misinterpretation of the FIFA Laws of the Game. A game cannot be protested based on the referee's judgment of the 'facts' of the game.
 - ii. Eligibility of players.
 - iii. Breaches of BCCSL Rules and Regulations.
- e) Protests relating to the grounds, posts, crossbars, etc., will not be entertained unless notice (with particulars included) is given to the referee prior to the beginning of the game. The referee must believe the issue seriously affected the outcome of the game for the protest to be reviewed.

The League shall grant a registered player permission to play for a team within the Club at the same age or the age group one year older than theirs as long as the player is currently playing a lower caliber of play, if at the same age, or the same or lower caliber of play if they are a year younger. Movement of players in Div. 3 shall be permitted between teams at the same level. The player must provide his or her BC ID card to the game officials to be eligible to play under FRP.

- iii. Players can only use the FRP for league games. League Championship games are considered league games, but no teams will be allowed to use FRP for players from the same division they played in between the first round of re-tiering in October and the start of League Championship play. Players must be from a lower division or a younger age group at the same or lower division for League Championship games.
- iv. Clubs must limit players to two games per weekend to safeguard against them playing too many games and being exposed to potential injury.
- v. Team game day rosters, including FRP's, cannot exceed the declared roster size registered with BC Soccer.
- vi. No team shall be allowed to use players from U10 teams to play under the FRP.
- vii. For District run U11 and U12 Div. 3, where the District has opted not to provide BC ID cards, the District can opt to use a paper-based FRP process that makes the details needed on the BC ID card clear. The paper would then be presented to game officials in lieu of an ID card.

17. League Championships Division 1-3

- a) After the completion of League Play in December, all U13-U18 teams will commence play for the "League Championship".
