
BCCSL DISCIPLINE INFORMATION 2018-2019 SEASON – for team officials

General

It is the responsibility of team officials to inform their players that they can be expelled for the following:

- Persisting in misconduct (two yellow card offenses in the same game)
- Denying a goal scoring opportunity
- Offensive, insulting, abusive language and / or gestures
- Serious foul play
- Violent conduct
- Spitting at an opponent or any other person
- Failure to act in a responsible manner – **this offense is specific to team officials**

Depending on the seriousness of the offense, some ejections may be levied automatic games suspensions in accordance with the BC Soccer Discipline Sanction Policy. The team official will be informed of the suspension and that the player does not have to attend a hearing. However, if the team official disagrees with the number of games levied, s/he has the right to request a hearing within 48 hours of the notice, by emailing the BCCSL Discipline Manager.

IMPORTANT: If a player is sent off or team official is expelled from a game they **MUST NOT** participate in the post-game handshake. They must immediately leave the vicinity of the field of play and the technical area.

As a courtesy expelled team officials are not shown the red card.

Referees can submit misconduct reports for players, team officials and spectators even after a game is finished.

All players, coaches and managers taking part in the League are subject to the BCSA Discipline Guidelines and the decisions of the League Discipline Committee. Each of the eight (8) districts submits the name of their rep prior to the start of each season and those details can be found on www.bccysl.ca

Should meetings be required they are generally held starting at 7:00 p.m. on Wednesday evenings at:

Willingdon Community Centre 1491 Carleton Avenue, Burnaby, BC

Should a hearing be required team officials are contacted in advance and must be prepared to attend, with their player/s, the Wednesday immediately following the ejection, unless otherwise informed.

A player's parent may attend but must be made aware, in advance, that s/he is present as an observer only. At the time of the hearing the team official is the spokesperson for the player.

As per BCSA Rule 10, Discipline: www.bcsoccer.net Clubs, teams, their team officials and/or players may have legal representation. All fees will be incurred by the club, team, team official and/or player who initiated the legal representation. If any of the aforesaid individuals wish to have legal representation at a hearing, they must advise the league and BC Soccer of this in writing prior to the hearing.

When lengthy suspensions are levied the committee will consider the seriousness of the offense, the time of year: mid-season break and end of season.

From time-to-time, the Discipline Committee may ask a team official and/or spectator to attend a "discussion" meeting to investigate a discipline matter brought to their attention that did not result in an ejection or referee's misconduct report. *Failure to Appear* rules apply in this case should the team official decline to attend without good cause.

Complaints: The discipline committee will not deal with issues/complaints that cannot be corroborated by the game official.

The League, or one of its committees, may investigate complaints from team officials, abandoned games; teams with excessive cards, excessive no-shows or forfeitures, misconduct of teams, officials, spectators, or violation

of field closures. The Discipline, Protests / Appeals or Abandoned Game Committees may request the posting of a Performance Bond and/or fine in keeping with the Fine and Performance Bond Schedule.

The referee will report any yellow or red card infractions on GotSoccer and the player who is suspended will be shown in red for however many games he is suspended.

“Exhibition” or “Friendly” Games

While the League does not schedule “exhibition” or “friendly” games red and yellow cards received in “exhibition” or “friendly” games will be reported by the referee and will be subject to normal discipline procedures.

The Discipline Hearing

If your player has been ejected check your team roster to see how many games have been levied.

Once the referee’s report has been received, and depending on the infraction, a discipline hearing date may be set. It is the team official’s responsibility to contact the player/s.

Should a hearing be required the Discipline Committee will decide at that time what additional penalty, if any, will be imposed on the person who was ejected or reported for misconduct. The Committee can issue additional suspensions within the guidelines established by the Canadian Soccer Association and BCSA.

Right to Appeal

Right to Appeal to BC Soccer: If the named person has been into a hearing and disagrees with the penalty assessed see BC Soccer Rule #12 re: appeal time frame & fee. See www.bcsoccer.net

BC Soccer Rule 12, Appeals: (paraphrased) Make written application to the BCSA Executive Director jasonelligott@bcsoccer.net with a concise statement of facts stating the Bylaw, Rule or Regulation that was contravened and forward within 10 working days from notification of the suspension with the \$525 appeal fee. If the appeal is upheld the fee will be returned less an administrative fee. Pending the hearing of the appeal, the original decision shall not be suspended unless the BCSA Judicial so orders. A decision may be amended to the disadvantage of the party lodging the appeal.

Failure to Appear

Any team official or player failing to appear at a scheduled discipline hearing or on a date specified by the League or a District Association shall be Indefinitely Suspended until the case has been dealt with by the Discipline Committee.

A Notice of Indefinite Suspension requires that the individual be notified of such action and is Indefinitely Suspended from all youth soccer activities including refereeing until he attends a hearing.

Should an individual continue to participate in youth soccer activities while under suspension or after being placed on Indefinite Suspension, they shall be required to appear before a Provincial Board Discipline Hearing.

The Automatic One Game

As per FIFA / IFAB, all red cards carry an automatic one game suspension. This game is served automatically by sitting out the very next League or Cup game (whichever comes first) after the game in which the red card was received. This automatic one game suspension is non-appealable.

Additional games may be levied by the League Discipline Committee depending on the infraction.

Yellow Card Cautions

Multiple yellow cards have the same automatic one game provision. Anyone with three yellow cards in one season (not to be confused with two yellow cards in one game) must sit out the team’s very next game.

The player does not have to attend a discipline hearing for receiving three yellow cards in a season.

Please note that on receipt of a fifth caution in a season that the player may be requested to attend a hearing.

Serving Your Discipline Suspension

When you go to run off your game roster a suspended player will have their name struck out on the game roster and, therefore, is ineligible to play until all game(s) have been served.

When a player is ejected GotSoccer will indicate an automatic "Out One Game" from X date.

If additional game suspensions have been levied the automatic one game suspension must be sat out **and the score reported** before additional games can be manually added.

If, for instance, a player is levied a total of 4-5 games, that number will not change until all of the games have been sat out by the ejected player or team official.

Once all games have been played and scores entered GotSoccer will indicate that the individual "sat out game(s) 781, 793, 801, etc" and the name will no longer be struck-through.

A game must be played to its conclusion in accordance with the defined playing time, specified in the rules by age group, to be considered a game for the purposes of serving a suspension. Only those matches actually played count towards execution of the suspension. If a match is abandoned, cancelled or forfeited, a suspension is only considered to have been served if the team to which the suspended player belongs is not responsible for the facts that led to the abandonment, cancellation or forfeit of the match.

Suspensions must be served by "sitting out" the team's very next game(s), league or cup, whichever comes first.

Suspensions cannot be sat out in exhibition or tournament games.

A suspended player may attend games but may not be in uniform or be involved in any way and must not fraternize with other team players, team officials or fans.

Suspended players and team officials must stay back a minimum of 50 feet (15 meters) from the sideline; in other words, away from the area immediately surrounding the field of play.

Suspended team officials must arrange for someone else to fill their position, and inform their discipline representative of that person's name and contact information.

Suspended team officials must not coach verbally, by hand signals or any other means (including electronic / cellular devices) and must not fraternize with the players, coaching staff or fans to avoid being suspected of coaching while under suspension. The team players must be told not to approach the suspended player or team official before, during or after the game.

Also, such suspended players and team officials must NOT be involved in the team pre- or post- game "handshakes".

Players or team officials will not participate in any BCSA sanctioned soccer function while under suspension. This includes acting as a game official, handling equipment, field setup, coaching or assigning substitutions. Players can, however, attend practices.

Suspended players or team officials who play, coach or referee while under suspension or, if attending as a spectator, behaves in a manner that brings the game into disrepute shall be subject to further disciplinary action.

Informing the Opposing Teams

When a discipline matter, such as the suspension of a player or team official, has been ruled on by the Discipline Committee it will be obvious on the team roster that the suspended individual is not entitled to play in the specific game as the name will be crossed out and highlighted in red.

Suspensions Carrying Over

Suspensions may carry over into sanctioned activities including tournaments and exhibition matches but do not constitute games sat out with regards to their suspension. The committee may allow a player to play in a tournament depending on the seriousness of the suspension.

Players and team officials who do not complete their suspensions in one season will sit out the balance in the following season. They must be officially registered for the upcoming season for the suspension to count. U-18 players graduating to adult play, who have suspensions carrying over, will serve them in the first games of adult play.
