

## How to Pull Red/Yellow Card Reports for District Reps

There are multiple red/yellow card reports in the system. This way allows people to view r/y cards for only teams they need to see.

**Step 1** – Login to your account.

If you don't know your username/password click on this link and enter your e-mail address( <https://www.gotSPORT.com/asp/directors/passwordlookup.asp> ). If you get more than one account that is fine, but the one you will need will start with "BCCSL/" ...

**Step 2:** Click on the green "League" tab, and then click on the number of teams in the BCCSL

The screenshot shows the GotSoccer website interface. At the top, there is a navigation bar with tabs for Summary, Fields, League Events, Clubs, Teams, Match Reports, League, Tournament, and Updates. The 'League' tab is highlighted. Below the navigation bar, there is a section for 'League Registration & Schedules' with a dropdown menu for '2018 BC Coastal Soccer League (8/1/2018)'. To the right, there is a table titled 'Associated Clubs' with columns for 'Club', 'Teams', and 'F'. The table lists 28 clubs and their respective team counts.

**Step 3** – Set your filters and run the report. You will want to change the "Report Type" filter to "Red/Yellow Card Report." You may want to use match dates between X and Y time. You may also want to make your page size larger so you can see everyone on one page. Here is another screenshot showing where these settings can be changed, and how it should look (screenshot below):
